He was member of the Editorial Board and the Building Construction Sub Committee of this centre. New IEI Complex at Channi Himmat was inaugurated in Oct.2006 during his tenure as Honorary Secretary. He has remained Honorary Secretary of IETE, Jammu Centre during 2001-2002 and is also the life member of The Indian Science Congress, Kolkata. He has contributed several technical papers in National & International Seminars. The Institution of Engineers (India), Jammu Local Centre feels honoured in congratulating Er. Samir Sharma, MIE for this achievement.

Technical Seminar on Cold Mix Technology held at IEI

The Institution of Engineers (India), Jammu Local Centre organized a Presentation/Seminar on "Cold Mix Technology as drafted in IRC CODE SP 100" in collaboration with Tirma Rubber and Infrastructure Limited, Mehrauli, New Delhi on 12th May, 2018 at Institutional Complex, Sector - 3, Chandi Himmat, Jammu.

On the occasion, Mr. Naseem Akhter, Hon'ble Minister for Public Works and Culture was the Chief Guest, Mr. Shakti Raj, Hon'ble Minister of State for Public Works, Technical Education, Rural Development, Culture and other Departments and Sh. P K H Singh, VSM, Chief Engineer, H.Q. Sampark were the Guests of honour.

Er. Ravi Chanyal, FIE Chairman, IEI, Jammu Centre apprised the dignitaries and the audience about the functioning of the Institution and thanked the Govt. for approving ACP for the engineers and submitted for consideration of regularization of engineers at all levels.

The presentation on Cold Mix Technology was given by Dr. P. K. Jain, Retired Chief Scientist and Advisor to Pavement Engineering and Materials Area CRRI New Delhi and IAHE Faculty, presently consultant to Tirma Rubber and Infrastructure Limited. Er. B. L. Rawal, MIE, Former Hon'ry Secretary IEI Jammu Centre and coordinator of the seminar conducted the proceedings of the technical session.

The Hon'ble Chief Guest Mr. Naseem Akhter advised the engineers to work with will and determination with the back of their technical expertise and knowledge. He advised them the work should be put in tenders in advance so that there is no time overrun and cost overrun.

He appreciated the work done by the engineers in their respective fields and encouraged that they should be technically smart to meet the future challenges in their work.

He said that technical courses should be held at the Institution of Engineers (India) at its centres Jammu/Srinagar in collaboration with the engineering departments in upgrading the skill and knowledge of young engineers so that they are well equipped to meet the professional requirements in the market.

The Hon'ble Guest of Honor Mr. Shakti Raj said that the cold mix technology should be applied in inaccessible areas of the state so that the road projects are in progress are completed well in time.

The Hon'ble Guest Mr. P K H Singh said that the cold mix technology is already in the process of execution in their organization.

The demonstration of Cold Mix Technology was conducted by Tirma Rubber & Infrastructure Ltd, New Delhi under the supervision of Mr. B. L. Rawal, MIE, Advisor Technical of the organization and Mr. Rajeev Juneja, General Manager (Roads Sector). Engineers from different departments witnessed the implementation of technology in the field.

A large number of Engineers, Members, Institutional Members, Officers from ERD, Professors, Scientists, Students and Members of the Civil Society from all walks of life attended the Presentation/Seminar.

Er. Vijay Sharma, MIE, Honorary Secretary conducted the proceedings of the seminar, and presented the vote of thanks to the august gathering.

A section of audience during the seminar

World Environment Day Celebrated

The Institution of Engineers (India), Jammu Local Centre celebrated World Environment Day on 5th June, 2018 at Chandi Himmat, Jammu. A seminar on the theme "Beat Plastic Pollution" was organized in which large number of engineers, scholars, academicians, Environment lovers, and members of the civil society participated.

On this occasion Er. V. N. Sharma, FIE, Member Regional Empowered Committee, Northern Region, Ministry of Environment, Forest and Climate Change, Government of India and Former Chief Engineer, P.W.D. J&K Govt. was the Chief Guest.

At the outset, Er. Ravi Chanyal, FIE Chairman, IEI, Jammu Centre apprised the audience about the theme and Er. Vijay Sharma, MIE, Honorary Secretary presented the Welcome Address.

Eight Papers on the theme topic were presented by Er. S. C. Thakral, FIE; Er. P. K. Nanda, MIE; Er. B. L. Rawal, MIE; Er. Vinod Kumar, MIE; Er. Sunil Seth, MIE; Er. Ranjeev Sawhney, MIE; Er. Mir Muneer Hussain, MIE and Er. Akash Dugotra, AMIE. All the speakers explained the disadvantages of using plastic and suggested solutions to end plastic pollution.

Er. V. N. Sharma, FIE the Chief Guest on the occasion addressed the august audience and concluded the technical session with the remarks that it is a common responsibility of all to reduce the use of plastic for saving the environment from its harmful effects.

Er. V. N. Sharma, FIE, Member Regional Empowered Committee, Northern Region, Ministry of Environment, Forest and Climate Change, Government of India and Former Chief Engineer, P.W.D. J&K Govt. flanked by Er. Ravi Chanyal, FIE, Chairman and Er. Vijay Sharma, MIE, Hon'ry Secretary of The Institution of Engineers (India), Jammu Centre on the date while Er. P. K. Nanda, MIE deliberating on the theme.

He suggested that we should start to talk at our homes and with our neighbours and friends about the problem to discourage the use of plastic. He ended with the slogan "If you can't reuse it, refuse it"

Er. Vijay Sharma, MIE, Honorary Secretary of the centre conducted the proceedings of the seminar and presented Vote of Thanks.
